# An sign of recognition awarded to few

We are pleased to inform you that Banco Sabadell is **the first financial institution of the IBEX 35 to obtain the European Gold Seal of Excellence<sup>(1)</sup>**. An award which acknowledges the level of excellence achieved by the Group's companies.

Of the many factors which have led to this prize, one takes preeminence: **our dedication to serving the customer and the quality** displayed by the entire organization, especially the commercial network.

This new award comes in addition to the **global ISO 9001: 2000 certification** obtained in 2005. both these distinctions are without doubt acknowledgment of fine performance and added **motivation to continue working constantly** towards our chief objective: **to offer you and all our customers the best service.**
