ITEM 2

Voting: Put to a vote, the proposal is approved, with:

- the number of shares for which valid votes have been cast is 3,417,138,215 shares.
- 3,428 abstentions, from 2,743,699 shares owned by 23 shareholders representing 0.08% of the total shareholders entitled to vote present and represented;
- 1,129 votes against, from 903,927 shares owned by 93 shareholders representing 0.03% of the total shareholders entitled to vote present and represented and,
- 4,266,591 votes for, from 3,413,490,589 shares owned by 124,275 shareholders representing 99.89% of the total shareholders entitled to vote present and represented.

ITEM 3

Voting: Put to a vote, the proposal is approved, with:

- the number of shares for which valid votes have been cast is 3,417,138,215 shares.
- 3,470 abstentions, from 2,776,732 shares owned by 26 shareholders representing 0.08% of the total shareholders entitled to vote present and represented;
- 716 votes against, from 574,155 shares owned by 77 shareholders representing 0.02% of the total shareholders entitled to vote present and represented and,
- 4,266,962 votes for, from 3,413,787,328 shares owned by 124,288 shareholders representing 99.90% of the total shareholders entitled to vote present and represented.

ITEM 4

Voting: Put to a vote, proposal 4.1 is approved, with:

- the number of shares for which valid votes have been cast is 3,417,138,215 shares.
- 3,642 abstentions, from 2,914,242 shares owned by 46 shareholders representing 0.09% of the total shareholders entitled to vote present and represented;
- 88,336 votes against, from 70,670,327 shares owned by 188 shareholders representing 2.07% of the total shareholders entitled to vote present and represented and,
- 4,179,170 votes for, from 3,343,553,646 shares owned by 124,157 shareholders representing 97.84% of the total shareholders entitled to vote present and represented.

Voting: Put to a vote, proposal 4.2 is approved, with:

- the number of shares for which valid votes have been cast is 3,417,138,215 shares.
- 3,739 abstentions, from 2,992,285 shares owned by 52 shareholders representing 0.09% of the total shareholders entitled to vote present and represented;
- 148,236 votes against, from 118,590,143 shares owned by 221 shareholders representing 3.47% of the total shareholders entitled to vote present and represented and,
- 4,119,173 votes for, from 3,295,555,787 shares owned by 124,118 shareholders representing 96.44% of the total shareholders entitled to vote present and represented.

Voting: Put to a vote, proposal 4.3 is approved, with:

- the number of shares for which valid votes have been cast is 3,417,138,215 shares.
- 5,413 abstentions, from 4,331,365 shares owned by 53 shareholders representing 0.13% of the total shareholders entitled to vote present and represented;
- 22,062 votes against, from 17,650,923 shares owned by 125 shareholders representing 0.52% of the total shareholders entitled to vote present and represented and,
- 4,243,673 votes for, from 3,395,155,927 shares owned by 124,213 shareholders representing 99.35% of the total shareholders entitled to vote present and represented.

Voting: Put to a vote, proposal 4.4 is approved, with:

- the number of shares for which valid votes have been cast is 3,417,138,215 shares.
- 6,160 abstentions, from 4,929,193 shares owned by 55 shareholders representing 0.14% of the total shareholders entitled to vote present and represented;
- 13,828 votes against, from 11,063,215 shares owned by 127 shareholders

representing 0.32% of the total shareholders entitled to vote present and represented and,

- 4,251,160 votes for, from 3,401,145,807 shares owned by 124,209 shareholders representing 99.54% of the total shareholders entitled to vote present and represented.

Voting: Put to a vote, proposal 4.5 is approved, with:

- the number of shares for which valid votes have been cast is 3,417,138,215 shares.
- 5,436 abstentions, from 4,349,848 shares owned by 53 shareholders representing 0.13% of the total shareholders entitled to vote present and represented;
- 7,983 votes against, from 6,387,277 shares owned by 132 shareholders representing 0.19% of the total shareholders entitled to vote present and represented and,
- 4,257,729 votes for, from 3,406,401,090 shares owned by 124,206 shareholders representing 99.68% of the total shareholders entitled to vote present and represented.

Voting: Put to a vote, proposal 4.6 is approved, with:

- the number of shares for which valid votes have been cast is 3,417,138,215 shares.
- 5,401 abstentions, from 4,321,438 shares owned by 52 shareholders representing 0.13% of the total shareholders entitled to vote present and represented;
- 9,771 votes against, from 7,817,655 shares owned by 140 shareholders representing 0.23% of the total shareholders entitled to vote present and represented and,
- 4,255,976 votes for, from 3,404,999,122 shares owned by 124,199 shareholders representing 99.64% of the total shareholders entitled to vote present and represented.

Voting: Put to a vote, proposal 4.7 is approved, with:

- the number of shares for which valid votes have been cast is 3,417,138,215 shares.
- 3,761 abstentions, from 3,009,582 shares owned by 54 shareholders representing 0.09% of the total shareholders entitled to vote present and represented;
- 9,634 votes against, from 7,708,154 shares owned by 128 shareholders representing 0.23% of the total shareholders entitled to vote present and represented and,
- 4,257,753 votes for, from 3,406,420,479 shares owned by 124,209 shareholders

representing 99.68% of the total shareholders entitled to vote present and represented.

ITEM 5

Voting: Put to a vote, proposal 5.1 is approved, with:

- the number of shares for which valid votes have been cast is 3,417,138,215 shares.
- 3,907 abstentions, from 3,126,677 shares owned by 62 shareholders representing 0.09% of the total shareholders entitled to vote present and represented;
- 903 votes against, from 722,802 shares owned by 99 shareholders representing 0.02% of the total shareholders entitled to vote present and represented and,
- 4,266,338 votes for, from 3,413,288,736 shares owned by 124,230 shareholders representing 99.89% of the total shareholders entitled to vote present and represented.

Voting: Put to a vote, proposal 5.2 is approved, with:

- the number of shares for which valid votes have been cast is 3,417,138,215 shares.
- 3,955 abstentions, from 3,165,094 shares owned by 65 shareholders representing 0.09% of the total shareholders entitled to vote present and represented;
- 884 votes against, from 707,817 shares owned by 100 shareholders representing 0.02% of the total shareholders entitled to vote present and represented and,
- 4,266,309 votes for, from 3,413,265,304 shares owned by 124,226 shareholders representing 99.89% of the total shareholders entitled to vote present and represented.

Voting: Put to a vote, proposal 5.3 is approved, with:

- the number of shares for which valid votes have been cast is 3,417,138,215 shares.
- 3,820 abstentions, from 3,056,936 shares owned by 54 shareholders representing 0.09% of the total shareholders entitled to vote present and represented;
- 840 votes against, from 672,952 shares owned by 95 shareholders representing 0.02% of the total shareholders entitled to vote present and represented and,
- 4,266,488 votes for, from 3,413,408,327 shares owned by 124,242 shareholders representing 99.89% of the total shareholders entitled to vote present and represented.

ITEM 6

Voting: Put to a vote, the proposal is approved, with:

- the number of shares for which valid votes have been cast is 3,417,138,215 shares.
- 3,825 abstentions, from 3,061,372 shares owned by 53 shareholders representing 0.09% of the total shareholders entitled to vote present and represented;
- 707 votes against, from 566,010 shares owned by 84 shareholders representing 0.02% of the total shareholders entitled to vote present and represented and,
- 4,266,616 votes for, from 3,413,510,833 shares owned by 124,254 shareholders representing 99.89% of the total shareholders entitled to vote present and represented.
